Introduction

The Employee's Provident Fund Organization (EPFO) is a statutory body under the Ministry of Labour and Employment, Government of India. EPFO provides social security benefits to more than 22 crore members through the following schemes:

- 1. Employee's Provident Fund Scheme, 1952
- 2. Family Pension Scheme, 1971
- 3. Employees' Pension Scheme, 1995
- 4. Employees' Deposit Linked Insurance Scheme, 1976

EPFO has to deal with various stakeholders during its processes, Members being at the center of focus of all the stakeholders.

The process of Joint Declaration for the correction in UAN profiles by the members is being undertaken as per various circulars. The member data in EPFO's database may be, in some cases, incomplete or has mismatches due to change of establishments by the members.

Due to this ,the member profiles data mismatch leading to rejections of claims. The claims settlement also face certain difficulties across all offices due to various reason related to data mismatch in parameters, namely, (1) Name, (2) Gender, (3) Date of Birth, (4) Father Name/ Name, (5) Relationship, (6) Marital Status, (7) Date of Joining, (8) Reason of Leaving, (9) Date of Leaving, (10) Nationality, (11) Aadhaar Number.

To maintain the correct profile of the member, reduce rejection of the joint declaration, and minimize fraud owing to UAN identity change, the Standard Operating Procedure (SOP) for the Joint Declaration – Member profile correction has been introduced by EPFO and same is being implemented in Unified Portal Application. This document will provide the details of the joint declaration implementation across the interfaces in Unified Portal Application.

Overview

The Joint Declaration is a joint request of employees duly authenticated by the Employer for the modification/addition of the members' basic profile parameters.

The process includes filing of a Joint Declaration application by the member, approval of JD by the Employer, its receipt in the Field Office and its approval or rejection by the competent authority. The DA/SS as an initiator assigned by the OIC of FO will initiate all such member modification requests through a unified portal. The initiator will examine the JD and the supporting documents submitted and submit the same with his comments to the verifier.

The SS /AO as a verifier will cross-check the member modification requests along with the supporting documents.

The approver RPFC-II/APFC/AO/SS will approve the member modification request after verifying all the supporting documents.
